

ASC Gliding App Instructions for Members Only

What you will see prior to logging on:

The screenshot shows the ASC Gliding App interface. A dark sidebar on the left contains the 'ADELAIDE SOARING CLUB' logo and navigation links: 'Gliding Home', 'GLIDING AIR EXPERIENCE FLIGHTS', 'Air Experience Flight Book and Pay', 'Gift Voucher Buy or Redeem', and 'HELP & PRIVACY' (with sub-links 'About Us', 'Privacy', and 'Contact Us'). The main content area features a 'Sign Up / Sign In' link at the top right. Below it is a purple banner stating 'Unavailable aircraft for today'. A date range search section shows 'From 29/06/2026' and 'To 29/06/2026' with a 'Search' button. To the right is a weather widget displaying '14.6°C', '14.6° / 11.9°', Latitude -34.5, Longitude 138.7, Humidity 82%, Pressure 1016.1 hPa, and Wind NNE, 17 km/h. Below the search section is a tabbed interface for 'Monday 29/06/2026' with tabs for 'Duty Roster', 'Member Gliding', and 'AEF Bookings'. The 'Duty Roster' tab is active, showing a table with columns 'TIME', 'DUTY INSTRUCTOR', 'TUG PILOT', and 'DUTY AEI'. The table lists two time slots: 09.30 - 13.00 and 13.00 - 1/L, both with Steve Miranda as the instructor and Richard Geytenbeek as the tug pilot. Below the table are 'Total People:' and 'Total Twin:' labels. A footer note reads 'v1.4.14 Copyright © 2024 Adelaide Soaring Club'.
